## ABOUT ME

I'm Britt, the photographer behind Eighteenth Hour Photography. I'm based in Ocala, FL but also love to travel. I have been a professional photographer since 2013, and I love telling stories with my camera. I photographed my first wedding in 2014 and I have been in love with weddings ever since. I pour my heart and soul into my work and I am incredibly thankful to do what I do! Getting to capture other people's love, joy, and unique style on camera as an occupation has been a dream come true. I am so thankful for the opportunities and people I've been able to meet!

I am a wife, girl mom of two, homeschool mama, book nerd, thriftaholic, history buff, love paddleboarding and generally am happiest outside. I love spending time with my family most of all.

# AN OVERVIEW

THE ENTIRE PROCESS FROM START TO FINISH

## 01. BOOKING

Once you decide to work with me, let me know which package you'd like to book. I'll send you the booking link, and your date will be reserved once you have your 30% deposit and signed contract completed.

## 03. PLANNING

As your date draws near you will receive a questionnaire to fill out details (vendors, ceremony and reception time, etc) about your special day. Once it's filled out and received, we will find a time to get together for a planning session so that I can learn about your wedding day, your priorities, and ensure I craft your wedding day exactly the way you envision.

## 02. E-SESSION

If your package includes an engagement session we will pick a month and season for your session, and we'll put a date on the calendar. Location and other details will be planned. After the photoshoot, an online photo gallery with your photos will be sent within 3 weeks.

## 04. SPECIAL DAY

We will have everything planned out to take photos of your special day! Sit back and relax. After your wedding a sneak peek gallery will be ready within a few days. Your completed online photo gallery and USB package will be sent within 12 weeks.

# YOUR QUESTIONS

## AND MY ANSWERS

---

### WHAT IS YOUR STYLE?

I love to capture photos that feel romantic, emotive, nostalgic, and that are authentic to the clients I am capturing. Warmth and dreamy light make me happy. I strive to capture a mix of guided posing and candid images. The candid ones are always my personal favorites. If you think you are not photogenic or have no idea what to do in front of a camera, I am the photographer for you!

### WHEN WILL MY PHOTOS BE READY?

For weddings, I deliver mini sneak peek galleries of about 30 photos within a few days. I understand the excitement over receiving your photos and the sneak peek galleries are my favorite way to get you images quickly! The final full gallery is ready within 12 weeks. For engagement and boudoir photoshoots, I deliver within 2-4 weeks.

### WILL YOU GO OUT OF TOWN FOR WEDDINGS?

Absolutely! Most of my weddings are actually out of my area. If you choose a location more than 2 hours away from my home base then I do charge travel but I aim to keep those fees fairly low, often only to cover an overnight lodging. These travel fees are custom to the location.

### CAN I SEE YOUR PORTFOLIO?

Of course! I share a lot of my work on Instagram at @eighteenthourphoto but also love to share full completed galleries so you can see what a completed wedding day looks like.

### DO I PAY MORE FOR PRINTING MY PHOTOS?

No! Your gallery includes full print release so you may order prints from whatever printing provider you choose. Your gallery link is also shareable for friends and family and with a 4-digit PIN they also have the ability to download and order prints on their own.

# KIND CLIENT WORDS

REVIEWS AND TESTIMONIES FROM PAST CLIENTS

*As an artist myself I knew I was going to be especially selective of the photographer I chose. I researched so many people, looking for someone I would vibe with stylistically and personally, I was so lucky I found Brittany. Our wedding had so many challenges, everything changed the day before.. After a year of planning and prep!!! Thanks first ever tropical storm of Dec! I was so stressed and Brittany and her amazing friend and fellow photographer stepped in and totally took control of their part, going above and beyond. I did not have to worry about them all, they were literally the shining light of my day. Eighteenhour photo, saved my ever changing day, professional, kind, and talented. Search no more, they are legit and amazing, feel safe booking with them.*

MARISSA, 2023

*Britt is the best photographer ever. She knows how to pose you and make you feel comfortable. She is also super friendly!!! And to top it all off, she is the editing QUEEN! I would never use anyone else!*

MICHELLE, 2024

*I cannot say enough about Brittany. Her talent is unparalleled. I was one of the weddings that got canceled a week before because of Covid. She photographed our engagement photos, and our impromptu Covid era backyard wedding, then a year later our big wedding. My husband and I have no idea what to do in front of a camera and are so awkward and she guided us and each one of our photos are amazing! If you're looking for a photographer for any occasion, stop here cause you've found it. 100,000,000/10 recommend.*

SHELBY, 2022

*Brittany is incredible! We had never had professional pictures taken before and didn't know what to expect. She was so communicative, open to our different ideas, and helped put us at ease! We could not be happier with how our engagement pictures turned out. We felt so comfortable and had such a great time that it felt like we were hanging out with a friend and we didn't even remember to worry about our insecurities. Book her-- you will not regret it!!*

HANNAH & LARRY, 2024

*I seriously could not recommend Brittany enough! She is so easygoing and made our couple feel calm and comfortable. We were quickly losing daylight due to ceremony delays and Britt quickly made the decision to adjust to bridal portraits directly after the ceremony in order to snag the most stunning golden hour for our couple portraits. She and her team were an absolute pleasure to work alongside!*
